THE IMPORTANCE OF BEING DIFFERENT

WHEN you come to any of our offices to buy theatre tickets, you have the satisfaction of dealing with an established business house, established for nearly fifty years---a house which is still managed and controlled by the founder and his own family.

The good will which has grown steadily through all these years since Union Square was the theatre centre of New York is the greatest asset of this house. It is at once the pride and foundation of our business.

A square deal, a truthful, courteous service, a willingness to take a little more trouble to be a little more obliging -- these are the qualities which have made McBride's prosper through the years.
